(#) - Restart with Part A after Charleston step

Finish after Charleston, Pivot to front wall..

This dance may look like a nightmare though the music tells you what to do the whole time. The steps aren't too hard and the different tempos help you know where you are up too. Once you have done it a few times you will be fine. It requires attitude and energy so give it all you got. Have fun ☺ A big Thank You to Tom Glover for finding us the song. Oh did we mention Part B is really fast ??? ☺
